SUPPLEMENT TO PETITION FOR REVIVAL OF AN APPLICATION  
FOR PATENT ABANDONED UNAVOIDABLY UNDER 37 C.F.R. §1.137(a)

Applicant respectfully requests revival of the subject patent application pursuant to 37 CFR §1.137(a) and MPEP 711.03(c)(I)(A) based upon the sequence of unavoidable events as illustrated below.

On January 9, 2006, the law firm of Iandiorio & Teska (now Iandiorio, Teska & Coleman), which represent the applicants of the subject application, filed the subject patent application with the U.S. Patent and Trademark Office. On December 5, 2007, Iandiorio & Teska received a copy of the Notice of Abandonment dated December 3, 2007 from the U.S. Patent and Trademark Office.

After reviewing the file of the subject application as well as copies of their docketing

system, it was confirmed that the Notification of Missing Requirements was not received by Iandiorio & Teska. Attached hereto as Exhibit A are eighteen (18) pages of the “Office Docket” entries of mail that Iandiorio & Teska received between February 2, 2007 and February 20, 2007, representing a period of time during which the Notification of Missing Requirements dated February 2, 2007 would have been received.

A review of the “Office Docket” shows in part: the date Iandiorio & Teska received the item; a description of the item received; the Iandiorio & Teska docket number to which the item is related; the description of the work to be done; and the due date for the work to be done. The Iandiorio & Teska docket numbers each include a client description and a matter number. The client description for the subject application is “GJ”. The “matter” number for the subject patent application is “275”. Upon inspection of the “Office Docket” it is evident that there is no record of receipt of any items by Iandiorio & Teska between February 2, 2007 and February 20, 2007 with respect to docket number “GJ-275”. On December 5, 2007, Iandiorio & Teska received a copy of the Notice of Abandonment from the U.S. Patent and Trademark Office.

A review of the master docket, i.e., the “Office General Docket” of the firm Iandiorio, Teska & Coleman for items due on May 2, 2007 also shows that an Office Action was not received for docket number “GJ-275” since this due date was not docketed for this docket number. May 2, 2007 is the due date that would be docketed for an Office Action that was mailed on February 2, 2007 and that had a shortened statutory period of three months. A printout of the “Office General Docket” for May 2, 2007 is attached hereto as Exhibit B.

Accordingly, because the Notification of Missing Requirements was not received by Iandiorio & Teska prior to the deadline for responding to the Notification of Missing Requirements, the failure to respond to the Notification of Missing Requirements and the

subsequent Notice of Abandonment were unavoidable.

Wherefore, the applicant respectfully requests revival of the subject application and the re-mailing of the Office Action previously mailed in the subject application. The applicant also encloses herewith the \$540.00 fee pursuant to 37 CFR 1.17(l) for this Petition for Revival of an Application for Patent Abandoned Unavoidably. Since the applicants believe that the abandonment of the subject application was not due to their mistake or a mistake of their representatives, the applicants respectfully request that the U.S. Patent and Trademark Office refund the \$540.00 petition fee by crediting Deposit Account No. 09-0002.

The undersigned being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 USC 1001, and that such willful false statements may jeopardize the validity of the application or any resulting registration, declares that they are properly authorized to execute this Supplement to: Petition for Revival of an Application for Patent Abandoned Unavoidably Under 37 C.F.R. §1.137(a) on behalf of the applicant; and all statements made of their own knowledge are true and all statements made on information and belief are believed to be true.

If for any reason this Petition or Supplement are found to be incomplete, or if at any time it appears that a telephone conference with counsel would help advance prosecution, please telephone the undersigned or his associates, collect in Waltham, Massachusetts, (781) 890-5678.

Respectfully submitted,

David W. Poirier, Reg. No. 43,007
